Time stands still
 Beauty in all she is
 I will be brave
 I will not let anything take away
 What's standing in front of me
 Every breath
 Every hour has come to this
 One step closer
 I have died everyday waiting for you
 Darling don't be afraid I have loved you
 For a thousand years
 I'll love you for a thousand more
 And all along I believed that I would find you
 Time has brought your heart to me
 I have loved you for a thousand years
 I'll love you for a thousand more
 One step closer
 One step closer
 I have died everyday waiting for you
 Darling don't be afraid I have loved you
 For a thousand years
 I'll love you for a thousand more
 And all along I believed I would find you
 Time has brought your heart to me
 I have loved you for a thousand years
 I'll love you for a thousand more
